

Streets for Cycling Plan 2020

The City of Chicago is embarking on this plan to identify a network of bicycling facilities that will ensure all Chicagoans, from children riding to school to senior citizens riding to the grocery store, feel safe and comfortable riding their bike on the city's streets.

We want your input! Come tell us how to improve your bicycling experience, where improvements are needed, and what would encourage you to bicycle in Chicago!

Garfield Park Conservatory – Jensen Room
300 N. Central Park Ave.
Wednesday, January 18th, 2012
6 – 8 p.m., presentation begins @ 6:30
